The Company will share this income with its subscribers and members as stipulated in this document.

The Company pays:

- Monthly 25% of the commissionable amount
- Once-off R10 per new sign-up (This only applies to sign-ups with South African IP addresses)
- Once-off R250 per new platinum conversion
- Monthly Commission on a Binary System

## BINARY REFERRAL SYSTEM

### Compensation Plan and Classes of Membership:

The COMPANY will compensate our Platinum Members, who are also active AMBASSADORS, for every new active member referred by them.

1. An active member is a subscriber with a completed Application Form and whose Platinum fees are paid in full (i.e., an active platinum member).
2. Each AMBASSADOR has an exclusive membership code. Every new referral is linked to this AMBASSADOR's binary tree via the membership code.

As the name says, a binary system consists of two legs. In the settings on our website, the member can choose in which leg they wish to place a new referral. Balancing the two legs of a binary is very important in order to maximize your income.

PLEASE NOTE: Once a new referral is placed it can never be changed again!

Members earn points on each leg and when they have a certain number of points on both legs, they cycle. A cycle has a specific monetary value as explained below.

CP - Commission Pool is the Company's turnover less joining or upgrade fees (if any). It includes the following products and services income amongst others:

- Membership Fees (excluding joining/upgrading fees, if any)
- Seminars
- Risk Management
- Trust Management
- Accounting
- Property Sales
- Property Management
- Financing
- Refinancing
- Forex Trading
- Bitcoin Mining
- Gold Promotion

CA - Commissionable Amount is the CP divided by the number of Active Platinum Members. For example: R800,000 ÷ 2,000 = R400

We have five classes of members:

1. Followers – Free
2. Subscribers – Free (for 30 days)
3. Platinum Members – Paying R311 p.m.
4. Platinum Elite Members - Paying R486 p.m.
5. Chartered Wealth Masters – Chartered Platinum Member Graduates of the Online Course

Affiliates earn Binary Points on the following:

- Platinum Members 25
- Trust Services 13
- Accounting Services 13
- Risk Management 5
- Property Management 5
- Subscribers 2 (effective from September 2018)
- TOTAL 63

Cycle:

- 25 points on both legs = 1 cycle.
- Multiple cycles can be achieved every month.
- A cycle pays 25% of the Commissionable Amount.
- The system produces a Commission Invoice according to the cycles, if any, every month's end.
- Cycles cannot be accumulated. An Ambassador must claim their cycles every month by submitting their invoice before the 7th of the month following the month they cycled.
- Cycle points, both claimed and unclaimed, expires every month after the 7th.

On our Facebook Group there are videos and further explanations of the binary concept and how to operate it. Join us on Facebook here: <https://www.facebook.com/groups/WealthMastersClub/>

(Please note: you must enter your valid TC number upon request, or your request will be declined).

9. Congratulate your new platinum conversions on the WEALTH MASTERS Club Facebook Group with the following example post: "(Tag your new upgrades here) - Congrats with your Platinum Upgrade! Your next step to Financial Freedom is to complete the Online Course."
10. A successful Conversion is one where the Upgrade Fee was paid to the Company and the new platinum member did not make use of the 30 days money-back

- guarantee. Therefore, commission on Conversions can only be paid at the end of the next month after upgrading.
11. As you now understand, anybody can participate, but only Platinums get paid. If you're not a Platinum yet, but is considering upgrading, visit <https://wealthmastersclub.com/membership> for a full list of all the benefits and how to get started!
  12. Employees of The Wealth Masters Club are excluded from the campaign.

## 6. MAX OUT

Referral Commissions can never exceed 25% of the Commission Pool. In the unlikely event of it happening, the system automatically deducts the exceeding percentage pro-rata from each commission-due amount.

## 7. GENERAL

1. Ambassadors may bequeath or transfer their groups to any other person or entity by way of a written letter or a will, but Ambassadors may not combine groups with other groups unless it is approved by the COMPANY.
2. It is advisable to provide your prospects with "your referral link", because if they click through on that link and subscribe on our website, they are linked to your code forever. Referrals not linked to the correct AMBASSADOR for whatever reason may be, at the COMPANY's sole discretion, re-allocated to the correct referrer if it is brought in writing to the COMPANY's attention at [services@wealthmastersclub.com](mailto:services@wealthmastersclub.com) within 3 months of the referred member's joining date.
  - a. Please note, the company takes no responsibility if a subscriber re-subscribes with a different email address to another Ambassador's code. It's the Ambassadors responsibility to convert their subscribers as soon as possible, since free subscription only lasts 30 days before deactivation.
3. AMBASSADORS are not allowed to "poach" the members of other AMBASSADORS.
4. AMBASSADORS are only allowed to use the branding and IP of the COMPANY if and as agreed in writing with the Chief Operations Officer of the COMPANY.
5. The COMPANY will generate a one-month backdated invoice which can be viewed monthly on the COMPANY website - under the AMBASSADOR's profile – between the 1st and the 7th.
6. To qualify for any commission payment, AMBASSADORS must
  - a. be paying Platinum Members of the club; and
  - b. they must accept the applicable Terms and Conditions every month for the "submit" button to work.
7. Once the Monthly Terms & Conditions are complied with, the AMBASSADOR should check and confirm the content of the invoice. The invoice should then be submitted to the COMPANY before the 7th - e.g.: If the COMMISSIONABLE AMOUNT was received on the 1st of March, the AMBASSADOR will only obtain the referral fee on the 15th of April. Should this date fall on a public holiday/weekend, the payment will be processed on the first working day thereafter.
8. If an AMBASSADOR does not qualify for a referral fee or fails to submit his/her invoice before the 7th, the cash pay-out of the month's referral fee will be forfeited forever.
9. If an AMBASSADOR fails to use their credits in their Loyalty Account for 2 consecutive years for whatever reason, it can, at the sole discretion of the COMPANY, result in the AMBASSADOR losing all or some of the credits permanently. The "use it or lose" rule applies.
10. If an AMBASSADOR fails to pay his/her platinum fee for two consecutive months for whatever reason, it can, at the sole discretion of the COMPANY, result in the permanent suspension of the AMBASSADOR's contract and membership – in this case, the AMBASSADOR will forfeit all referral fees and accumulated credits permanently. Please note, there is a fee payable when reinstating a platinum membership.
11. Kindly ensure that you send the COMPANY your correct banking details for the payment of the referral fees. It's the Ambassador's responsibility to double check that we have the correct details, and to notify us when there is a change.
12. All AMBASSADORS must kindly send their Personal income tax number or Company income tax number and applicable VAT certificates to [membership@wealthmastersclub.com](mailto:membership@wealthmastersclub.com). No payment will be done without the applicable documentation or information.
13. Any relevant queries can be emailed to [services@WealthMastersClub.com](mailto:services@WealthMastersClub.com) and/or communicated to us telephonically on 0860 02 0406.
14. The COMPANY shall, within its sole discretion, be entitled to change the Terms and Conditions when necessary.
